Dear Madam/Sir,

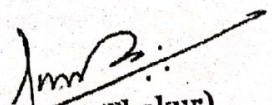

As you are aware, UGC has issued guidelines on 13.04.2022 for pursuing two academic programme simultaneously wherein UGC has allowed a student to pursue two academic programmes simultaneously. Higher Educational Institutions (HEIs) were requested to implement these guidelines for the benefit of the students. Also your attention is invited to UGC letter dated 30.09.2022 wherein universities were requested to devise a mechanism through their Statutory Bodies that could facilitate the students to pursue two academic programmes simultaneously.

It has come to the notice of the UGC that students are facing difficulties as HEIs insist on migration certificates / School Leaving Certificate. In the absence of these certificates, the students are not granted admission and that defeats the facility of pursuing two academic programmes simultaneously.

It is, therefore, once again requested that the universities may kindly devise facilitative mechanisms through their statutory bodies to allow the students to pursue two academic programmes simultaneously.

With kind regards,

Yours sincerely,

(P.K. Thakur)

Dear All,

In reference to above communication received from VNSGU and aspiring candidate, it is to clarify that we (Dr. Bhimrao Ambedkar Law University) requires Migration certificate from every candidate who is coming from other university and wants for taking admission in one of our affiliating Institute.

However, ALU relaxing this condition only for such institution those who are not issuing the migration certificate. But, a certificate to this effect should be issued by such Institution in the name of ALU or aspiring candidate. Moreover, such candidate is also require to submit an affidavit on Rs. 50/- stamp paper duly notarized declaring that his earlier institution doesn't issued migration certificate and he also not taken admission elsewhere except presently willing institute at the time of admission.

Bar council of India didn't allow Law universities to give admissions in two courses simultaneously. Hopefully you may furnished all such requirements.

Thanks

Respected Sir, Thanks for the reply sir, as you wrote the affidavit is only "to ensure that the aspiring candidate is declaring correctly and not pursuing two simultaneous courses at same time." that is fine, thanks once again, for the reply.

Please make it convenient to guide and extend your kind support to our student in ensuring admission to your esteemed university.

Dear Sir,
Thanks for considering student's requirement on priority.
Sir, hopefully you also understand that this university is also keeping queries raised from all sides on priority including aspiring candidates queries.
Since, we are also State funded university so we both are on same footing.
Further, it is essential to clarify that we are Law University so rules and regulations of Bar Council of India are directly applicable to us.
BCI didn't allow two simultaneous courses at a same time, as LLB can only be pursued in Regular stream. So applicability of Migration certificate couldn't be discontinued.
The present demanded affidavit is not an unwanted demand. It is a simple affidavit template to ensure that the aspiring candidate is declaring correctly and not pursuing two simultaneous courses at same time.
Aspiring candidate already mentioned in his trailing mail that he is preparing affidavit, so your today email (10.08 pm) is not required.
Moreover, it is to clarify here that Vidhyasthall Law College is an affiliated college of this university. And college is having full autonomy to give admission at it's own parameters following the eligibility criteria of the course decided by this university.

Thanks and regards

Respected sir, as you mentioned in your email (Aug 9, 2023, 5:15 PM) the "candidate is also required to submit an affidavit on Rs. 50/- stamp paper duly notarized declaring that his earlier institution doesn't issued migration certificate and he also not taken admission elsewhere except presently willing institute at the time of admission."

I humbly request you to consider our request that since VNSGU is giving in writing directly to everyone including all the university (so to your university also and again via this email also) via its public notice in an open domain, why should our students give an affidavit to ensure your that VNSGU has discontinued issuing a migration certificate. Is it not enough that one University is directly writing to another University? Then why should the student give an affidavit ensuring the same thing?

We humbly request you to reconsider your decision regarding taking any affidavit from our student (at least for the purpose of ensuring that we discontinued issuing Migration Certificate), since our purpose of discontinuing Migration is not to restrict the mobility and ease of students fraternity but to facilitate the students and making the procedure easy by discontinuing unnecessary documentation (that too in accordance to the guidelines and directions given by the UGC), further you are again and again requested to consider our below-mentioned points and the attached documents and at least reply to us.

I hope that Respected Authorities of College -Vidiyasthalli law college Jaipur University and Dr. Bhimrao Ambedkar University Jaipur will at least make it convenient to give a reply to the email sent by a State University.

Sending again the below-mentioned points and attachments for your kind consideration.
