Subject :- Unable to give online examination of papers-II in PGDCA sem-II because software / website didn't allow to me to login.

My self Nassrin Banu Mo. Faruk Sheikh studying in PGDCA sem-II. On 4<sup>th</sup> of January, 2022 I had a paper of Web designing tool - 202. At 10:55 am I open my web camera in vnsqu.unioline.in and after clicking my picture, I just press submit button and nothing was performed so I just refresh the page and I got error that I am not able to login because I already did once but it is not done. I couldn't see single question because after clicking pic, page not navigate to question page. And above error I was getting since just exam was started and I couldn't able to attempt one single question.

Sir / Mam I humbly request you to please do something in this regard and hoping your response in student favour.

Thanking you in advance

Nassrin F. Sheikh
