POST GRADUATE SECTION

SUBJECT: To know about on what basis mark are given on subjects and also to see my semester 3 purak exam answer sheet.

To the respected post graduate section officers , I deliberately want to know about how marking is placed in answer sheets as it really creating a confusion to the students to how to write, how much to write, and what content should be there in it ,and in what pattern should be in to write the answers . As due to lack of information to the students among the pattern of checking paper which leads to mass arise of atkts in the course of pursuing in it ,which create a down fall in the name of university as the students who struggle clear the paper remain behind and leave the course without clearing the course. This is the reason will affect the life of students, university goodwill as well life of university, with the people of university and these all creates withdrawal of affiliation of colleges from the university and these all leads to functioning of university.

So my request to the university is to make a proper writing pattern for marking system.

And make books to the syllabus available. And lowering hard check will make the students pursue their dream as in my case every i haven't single semester is passed as everything is in ATKT due to the harass checking pattern or neglect of proper checking these ATKTs are among every colleges under vnsgu other than other university and still believe that these subjects are not properly checked or negligence in checking or not proper marking.

I want university to solve this doubt and problem arises here.

And also, my request is how my answer sheet marks are given as I hardly believe that there is no chance to fail once again in the same subject.

Because I believe that i will gain minimum mark in these subjects but these turned out to be wrong in the result .as my believe persist that there is some kind of mistake in the checking of my answer sheet as these marks are lower than my previse exam of semester 3.

So for that i want university to give my answer sheets to see for that this letter is meant to.

I know you will recommend me to give reassessment of rechecking of paper, but I believe this will not work as for different exam I have been given the reassessments of rechecking.

So, my request to university to let me my answer sheet of mcom semester 3 purak exam held on June. And my mark sheet is attaching down below and my seat no .is 1373
