

**Subject: Request for Fair Review of Unfair Copy Case & Reconsideration of Fine / Result**

Respected Sir/Madam,

My name is Shaikh Uvesh Soyeb

Enrollment No: E23080119000610779

I am writing this email with utmost respect to request a fair review of the copy case that was registered against me during the recent university examination.

On the day of my exam, the exam volunteer accused me of copying from the student sitting beside me. I tried my best to explain and even offered to answer and explain all my answers verbally to prove my innocence, but I was not given that chance. I was asked to sign a form stating that I was caught copying and that I would accept any punishment or fine imposed.

After one month, when the result was declared, I was marked as Fail and a fine of ₹5000 was imposed on me.

I fully respect the government and university rules against copying, and I support strict measures to maintain exam discipline.

Being a student, it is very difficult for me to arrange such a high fine amount.

I request the university to kindly Re-evaluate my case with fairness.

Reduce or waive the fine amount as I am not in a financial position to pay ₹5000.

Allow me to reappear for the exam or consider restoring my result if possible.

I have always respected the university, teachers, and examination rules. My only request is that I be treated with fairness so that my education does not get affected due to a misunderstanding.

I humbly request you to please look into this matter and provide a suitable solution.

Your support will help me continue my studies without mental pressure.

Sincerely,

**Shaikh Uvesh Soyeb**
